## Welcome to Musicals: Kids and Us 2

Over the past eight weeks the cast has worked tremendously hard to prepare for the show and it has been a real pleasure to direct this small but perfectly formed cast.

We'd like to take this opportunity to thank Hannah Cridge for her support with choreography and in particular for Joseph and his Technicolour Dreamcoat. Also to Annabelle Thomas for the Supercalifragilisticexpialidocious routine.

We have a fabulous team behind the scenes all of whom have played their part in bringing the show together – thank you.

Brenda would also like to thank Jess and Lauren, two of our junior cast members, for their help at the kids' rehearsals on a Saturday morning.

We hope that you enjoy watching our show as much as we have enjoyed directing it.
